[Cm. 29611 D3/p7] From the S. G. Refm. 63056-111/24.11.41
 Broad design - Govt. Hospital, Kollegal -
 C.A.S's quarters - Electrification of

The S. G. has forwarded plans and estimates amounting to Rs. 1700/- for the electrification of the quarters of the C.A.S. of the Govt. Hospital, Kollegal. It is for consideration whether the proposal may be considered as essential for the proper running of the hospital and proceeded with, or whether in view of the need for economy in spending, the proposal will be deferred for the present.

2/ In G.O. S. 85 P.H. dated 2.3.25 the Govt. have approved a priority list of electrification schemes relating to Govt. medical institutions. The schemes in the list are have either been executed or are under execution. It is for orders whether the present scheme should be treated as an addition to the list and given a place in it or in view of the fact that the schemes in the list have been taken up this may be proceeded with independently. If it is decided that the scheme should be treated as an addition to the list, the S.G. will have to be consulted whether since the list was drawn up, there have been any additions and what place the present scheme should take.

3/ The remarks of P.W.D. and Fin. may be overruled. This submitted, with this Council that in the case of Ramnagar where the S.G. has submitted proposals for the electrification of the quarters of both the DHO and two P.W.D. in order to the S.G. (P.H.) has submitted that the electrification of the office alone may be proceeded with, the electrification of the S.G. being deferred. Finance had also observed without connection that these schemes should be deferred till prices come down and labour conditions improve. It is therefore for orders whether the present proposal may be
